This announcement is made pursuant to Rule 13.09 of the Listing Rules.

THE MEMORANDUM OF UNDERSTANDING

Date : 17 October 2011 (after trading hours)

Parties : (1) Ascendas; and
(2) the Company.

As disclosed in the Memorandum of Understanding, Ascendas intends to constitute a stapled trust which will invest primarily in hospitality assets (the “**Trust**”). It is proposed that the Trust or an entity nominated by the Trust will be the purchaser (the “**Proposed Purchaser**”) under the Proposed Transaction.

To the best of the Directors’ knowledge, information and belief and having made all reasonable enquires, Ascendas is a company incorporated in Singapore with limited liability and Ascendas, the Trust and their ultimate beneficial owners are Independent Third Parties.

Proposed Transaction

The Proposed Transaction is contemplated to comprise (i) the proposed disposal of the Sale Share, being the entire issued share capital of More Star which indirectly owns the Hotel, which is currently under construction, by the Group to the Proposed Purchaser, and as part of the acquisition of the Sale Share, the Proposed Purchaser will repay or cause to repay the Sale Loan, being the amount of all shareholder's loans due by More Star on completion of the proposed disposal of the Sale Share; and (ii) the proposed lease back of the Hotel by the Group upon completion of the disposal of the Sale Share for the Group's operation and management for an initial term of six years, which may be renewed a further term of six years on terms to be mutually agreed between the Trust and the lessee.

Subject to the determination of the acquisition structure by Ascendas, the proposed disposal of the Sale Share may be effected by the granting of a call option (the "**Call Option**") by the relevant member of the Group to the Trust to purchase the Sale Share while the Trust will grant a put option (the "**Put Option**") to the relevant member of the Group to dispose of the Sale Share, or the entering into of a share purchase agreement between the parties.

It is contemplated under the Memorandum of Understanding that the Company will in the Definitive Agreements undertake (i) to use its reasonable endeavours to obtain the occupation permit for the Hotel as soon as practicable by 31 December 2011; and (ii) to take reasonable steps to procure the hotel license in respect of the Hotel by no later than 30 June 2013 (or such earlier date as the Monetary Authority of Singapore or the Singapore Exchange Securities Trading Limited may require), and that the Company will grant a put option to the Proposed Purchaser at a nominal value such that if the Company fails to procure the hotel licence by the time aforesaid the Proposed Purchaser shall be entitled (but not obliged) to exercise the put option within three months from then to sell the Hotel back to the Company at the Total Consideration (as defined below).

Consideration of the Proposed Disposal

Based on the current indicative value of the Hotel, the indicated purchase price for the Sale Share together with the amount of the Sale Loan to be repaid (the “**Total Consideration**”) will be approximately HK\$1,314,625,000, which is subject to (i) satisfactory due diligence being completed by Ascendas; (ii) valuation to be commissioned by the Trust on the Hotel; and (iii) the acquisition structure being determined by Ascendas. It is contemplated under the Memorandum of Understanding that 95% of the total consideration shall be satisfied in cash and the remaining balance of 5% shall be satisfied in the form of stapled securities of the Trust (the “**Vendor Units**”).

Ascendas disclosed in the Memorandum of Understanding that it is intended that the Trust will effect an initial public offering of its stapled securities and be listed on Singapore Exchange Securities Trading Limited. As further disclosed in the paragraph headed “Conditions precedent” below, completion of the Proposed Disposal is conditional upon, among other things, the completion of the initial public offering of the Trust’s stapled securities. The Total Consideration shall be paid to the Company (through its relevant related company) on the date of listing of the Trust, save for 5% of the cash portion of which will be retained and held in an escrow account until the hotel licence has been issued to Fortress State in respect of the Hotel.

It is contemplated that the Vendor Units shall be valued at such pricing and terms no less preferential than that offered to any other strategic investors of the stapled securities under the proposed initial public offering and save for the condition that the stapled securities shall be held by the Company during the period commencing from the date of issuance of the Vendor Units until the date falling one year after the listing date of the Trust.

Rental payable under the Proposed Lease

Based on the indicative current value of the Hotel, the annual rental payable for the lease of the Hotel during the first year of the lease term shall be approximately 4.4% of the Total Consideration, subject to annual increment.

Due diligence

As soon as practicable upon the execution of the Memorandum of Understanding, the Company will grant to Ascendas, the Trust and other relevant parties (including agents, financiers, professional advisers and consultants) the right to conduct due diligence investigations in respect of the Hotel, More Star and Fortress State within a period of six weeks from the date of the Memorandum of Understanding, which period shall be automatically extended by two weeks (the “**Exclusivity Period**”) if the Definitive Agreements are not entered into or the due diligence investigations are not completed during the initial six-week period. The parties agree to enter into exclusive negotiations with each other on the terms of the Definitive Agreements during the Exclusivity Period.

Conditions precedent

It is contemplated that completion of the Proposed Transaction will be conditional upon the satisfaction of certain conditions which will include the following:

- (i) the completion and satisfaction of Ascendas and the Proposed Purchaser with the results of their due diligence investigations on all matters (including financial, legal, commercial, property and operational matters) in connection with the Proposed Transaction including good marketable title of Fortress State to the Hotel;
- (ii) all relevant corporate, governmental, regulatory, shareholders’ and other third party approvals being approved for all matters necessary to give full effect to the Proposed Transaction (including without limitation, the obtaining of the occupation permit in respect of the Hotel); and
- (iii) the successful completion of the initial public offering of the stapled securities of the Trust.

Subject to the above conditions precedents and the terms and conditions of the Definitive Agreements, Ascendas and the Company are targeting to complete the Proposed Transaction by 31 March 2012.

Termination

The Memorandum of Understanding shall automatically terminate (i) if no Definitive Agreements have been entered into between the relevant parties within the Exclusivity Period; or (ii) on the date of execution of the Definitive Agreements by the relevant parties, whichever is earlier.
