Leaptop owns the entire issued share capital of Asia Will Limited, which is the owner of 195,706,000 Shares, representing approximately 29.76% of the issued share capital of the Company. Details of the Rosedale Share Agreement are set out in the announcements of ITCC and Hanny dated 23 April 2014. The aforesaid transaction is conditional on the ES Completion and the MS Completion. The Transactions are not conditional on completion of the Rosedale Share Agreement and thus the Rosedale Share Agreement would not affect the ES Completion and/or the MS Completion.

LISTING RULES IMPLICATIONS

As one or more of the applicable percentage ratios in respect of the Transactions under Rule 14.07 of the Listing Rules exceeds 75%, the Transactions constitute very substantial disposals for the Company under the Listing Rules which are subject to the reporting, announcement and shareholders' approval requirements.

As ITCC, being the substantial shareholder of the Company, is indirectly interested in approximately 30.65% of the issued share capital of ITCP, the Purchaser (being a direct wholly-owned subsidiary of ITCP) is a connected person of the Company. Accordingly, the Transactions also constitute connected transactions for the Company under Chapter 14A of the Listing Rules, which are subject to approval of the Independent Shareholders at the SGM by way of poll. As completion of the Rosedale Share Agreement is conditional on the ES Completion and the MS Completion, CEL, as an associated company of Hanny, is considered to have a material interest in the Transactions. Accordingly, ITCC, CEL and their respective associates shall abstain from voting in respect of the resolutions approving the Agreements and the transactions contemplated thereunder at the SGM. Dr. Chan Kwok Keung, Charles (by virtue of his being director and controlling shareholder of ITCC) will also abstain from voting in respect of the resolutions approving the Agreements and the transactions contemplated thereunder at the SGM. As at the date of this announcement, ITCC holds 195,706,000 Shares, representing approximately 29.76% of the issued share capital of the Company, CEL holds 48,660,424 Shares, representing approximately 7.40% of the issued share capital of the Company, and Dr. Chan Kwok Keung, Charles holds 1,132,450 Shares, representing approximately 0.17% of the issued share capital of the Company.

GENERAL

Mr. Cheung Hon Kit (by virtue of his being director of both ITCP and the Company) has not attended the meeting of the Board in relation to the approval of the Agreements. Mr. Kwok Ka Lap, Alva (by virtue of his being director of Hanny, ITCP and the Company), Mr. Poon Kwok Hing, Albert and Mr. Sin Chi Fai (by virtue of their being directors of both Hanny and the Company) have abstained from voting on the relevant resolution(s) approving the Agreements in the meeting of the Board. As all the independent non-executive Directors have material interest in the Transactions, no independent board committee will be formed. An independent financial adviser will be appointed to advise the Independent Shareholders in relation to the Transactions.

The SGM will be convened and held for the Independent Shareholders to consider and, if thought fit, approve the Agreements. A circular containing details of the Agreements, the financial information of the Eagle Spirit Group, the Makerston Group and the Remaining Group, the letter of advice from the independent financial adviser to the Independent Shareholders, a notice convening the SGM and other information as required under the Listing Rules will be despatched to the Shareholders on or before 20 June 2014 so as to allow sufficient time for the preparation of the relevant information for inclusion in the circular.

Completion of the disposals under the Eagle Spirit Agreement and the Makerston Agreement are not inter-conditional on each other.

Leaptop owns the entire issued share capital of Asia Will Limited, which is the owner of 195,706,000 Shares, representing approximately 29.76% of the issued share capital of the Company as at the date of this announcement. Details of the Rosedale Share Agreement are set out in the announcements of ITCC and Hanny dated 23 April 2014. The aforesaid transaction is conditional on the ES Completion and the MS Completion. The Transactions are not conditional on completion of the Rosedale Share Agreement and thus the Rosedale Share Agreement would not affect the ES Completion and/or the MS Completion.

Set out below are the principal terms of the Eagle Spirit Agreement and the Makerston Agreement.

THE EAGLE SPIRIT AGREEMENT

| (iii) ES Vendor's guarantor: | the Company; and |
| (iv) Purchaser's guarantor: | ITCP |

To the best of the Director's knowledge, information and belief having made all reasonable enquiries, ITCP was owned as to 30.65% by ITCC, which is a substantial shareholder holding 29.76% of the issued share capital of the Company as at the date of the Eagle Spirit Agreement, and therefore the Purchaser (being a direct wholly-owned subsidiary of ITCP) is a connected person of the Company under Chapter 14A of the Listing Rules. The Purchaser is principally engaged in investment holding.

Interests to be disposed of

The assets to be disposed of by the ES Vendor comprise the ES Sale Share and the ES Sale Loan. The ES Sale Share represents the entire issued share capital of Eagle Spirit as at the date of the Eagle Spirit Agreement and on the ES Completion. The ES Sale Loan represents the aggregate amount owing by Eagle Spirit to the ES Vendor as at the ES Completion Date. As at the date of this announcement, the ES Sale Loan amounted to approximately HK\$45.5 million.

Details of the Eagle Spirit Group are set out in the section headed "Information on Eagle Spirit and Makerston" below.

ES Consideration

The ES Consideration is to be determined in accordance with the following formula:

$$\begin{aligned} \text{ES Consideration} &= \text{HK\$530 million} \\ &+ 40\% \text{ of the consolidated ES Net Current Assets of More Star} \\ &+ \text{the ES Net Current Assets of Eagle Spirit} \\ &+ \text{the ES Net Current Assets of Rosedale Kowloon} \\ &+ \text{the consolidated ES Net Current Assets of HK Macau} \\ &+ \text{the combined ES Net Current Assets of Rosy Universe,} \end{aligned}$$

subject to a maximum of HK\$566 million.

Based on the unaudited combined adjusted management accounts of the Eagle Spirit Group as at 31 December 2013, the ES Consideration is estimated to be approximately HK\$536 million.

The ES Consideration attributable to the ES Sale Loan is the face value of the ES Sale Loan on a dollar-for-dollar basis, with the balance of the ES Consideration being attributable to the ES Sale Share.

The ES Consideration is to be paid by the Purchaser to the ES Vendor on the ES Completion Date in the following manner:

- (i) as to HK\$250 million payable by way of issue of the ES Note; and
- (ii) as to the balance of the ES Consideration payable in cash.

At ES Completion, the ES Consideration will be determined based on draft ES Completion Accounts prepared by the ES Vendor. The ES Vendor shall finalise and agree the ES Completion Accounts with the Purchaser within two (2) months after ES Completion Date. The Purchaser will make up any shortfall of the ES Consideration paid to the ES Vendor, or (as the case may be) the ES Vendor will return any excess ES Consideration paid based on the ES Completion Accounts, within ten (10) Business Days after the finalisation of the agreed ES Completion Accounts.

The ES Consideration was determined after arm's length negotiations between the ES Vendor and the Purchaser with reference to (i) the preliminary valuation of the TKT Hotel as at 31 March 2014 by an independent property valuer and the ES Net Current Assets of each member of the Eagle Spirit Group and on the basis that the Eagle Spirit Group will have no material debts at ES Completion other than the ES Sale Loan; and (ii) the indemnity given by the ES Vendor and the Company in favour of the Purchaser against all tax liabilities that may arise from the disposal of 60% interest in More Star pursuant to the Shaw Agreement and other liabilities arising under the Shaw Agreement, as no provision against such liabilities have been made for the purposes of determining the ES Consideration. For the avoidance of doubt, the ES Vendor and the Purchaser have not taken into account the entering into and/or completion of the Rosedale Share Agreement when determining the ES Consideration.

Conditions precedent

Completion of the Eagle Spirit Agreement is conditional upon fulfillment or waiver (as the case may be) of the following conditions:

- (i) the approval by the Independent Shareholders of the Eagle Spirit Agreement and the transactions contemplated thereunder at the SGM in compliance with the Listing Rules having been obtained;
- (ii) the written approval by the shareholders of ITCP or approval by the shareholders of ITCP (other than those, if any, who are required to abstain from voting under the Listing Rules or the applicable laws, rules and regulations) of the Eagle Spirit Agreement and the transactions contemplated thereunder at the special general meeting of ITCP in compliance with the Listing Rules having been obtained;
- (iii) the Purchaser being satisfied with the results of the due diligence review of the Eagle Spirit Group, each member of the More Star Group and the TKT Hotel;
- (iv) each of the warranties given under the Eagle Spirit Agreement being true and accurate in all material respects and not misleading as at the date of the Eagle Spirit Agreement and remaining true and accurate in all material aspects and not misleading as at the ES Completion Date;
- (v) there being no material adverse change in the financial position of the Eagle Spirit Group and each member of the More Star Group from 31 March 2014 up to and as at the ES Completion Date; and
- (vi) the Property Company having given its consent in writing to the indirect disposal of Rosedale Kowloon under the Master Lease.

The Purchaser may at its discretion at any time waive in writing any conditions set out above, except for conditions (i), (ii) and (vi).

If any of the conditions (i), (ii) and (vi) is not fulfilled on or before ES Long Stop Date, and/or the conditions (iii), (iv) and (v) do not remain fulfilled or waived (as the case may be), the rights and obligations of the parties under the Eagle Spirit Agreement shall lapse and be of no further effect except for antecedent breach.

ES Completion

THE MAKERSTON AGREEMENT

Date

11 April 2014

Parties

- (i) MS Vendor: Rosedale Hotel Group Limited, which is beneficially owned as to approximately 88.64% by the Company;
- (ii) Purchaser: Silver Infinite Limited, a direct wholly-owned subsidiary of ITCP;
- (iii) MS Vendor's guarantor: the Company; and
- (iv) Purchaser's guarantor: ITCP

Details of the Purchaser and its relationship with ITCC are set out in the paragraph headed "Parties" in the section headed "The Eagle Spirit Agreement" above.

Interests to be disposed of

The assets to be disposed of under the Makerston Agreement comprise the MS Sale Share and the MS Sale Loan. The MS Sale Share represents the entire issued share capital of Makerston as at the date of the Makerston Agreement and on the MS Completion. The MS Sale Loan represents the aggregate amount owing by Makerston to the MS Vendor as at the MS Completion Date. As at the date of this announcement, the MS Sale Loan amounted to approximately HK\$216.5 million.

The principal asset of the Makerston Group is the holding of 20% interest in Rosedale Beijing which holds the Beijing Hotel. Following completion of the Capital Increase Agreement on 29 November 2013, Makerston's interest in Rosedale Beijing was diluted from 100% to 20%. Pursuant to the Capital Increase Agreement, the Investor has agreed to pay DS Eastin the Compensated Amount on or before six (6) months after completion of the Capital Increase Agreement, i.e. 29 May 2014. Further information relating to the Makerston Group is included in the section headed "Information on Eagle Spirit and Makerston" below.

MS Consideration

The MS Consideration is to be determined in accordance with the following formula:

$$\begin{aligned} \text{MS Consideration} &= \text{HK\$256 million} \\ &+ \text{the MS Net Current Assets of Makerston} \\ &+ \text{the MS Net Current Assets of DS Eastin} \\ &+ 20\% \text{ of the MS Net Current Assets of Rosedale Beijing} \\ &+ 20\% \text{ of the amount of land premium paid by Rosedale Beijing} \\ &\quad \text{out of its cash on hand during the period between the date of} \\ &\quad \text{the Makerston Agreement and the MS Completion Date,} \end{aligned}$$

subject to a maximum of HK\$324 million, subject to any upward adjustment in connection with the Compensated Amount as described under the paragraph headed "Arrangement in respect of the Compensated Amount" below. The upward adjustment for the land premium paid by Rosedale Beijing is to recognise the value of the cash that is currently held by Rosedale Beijing (which would be counted towards the MS Net Current Assets, if not applied towards payment of land premium as land premium once paid is not considered as "current assets" of Rosedale Beijing).

Based on the unaudited management accounts of the Makerston Group as at 31 December 2013, the MS Consideration is estimated to be approximately HK\$304 million.

The MS Consideration attributable to the MS Sale Loan is the face value of the MS Sale Loan on a dollar-for-dollar basis, with the balance of the MS Consideration being attributable to the MS Sale Share.

The MS Consideration is to be paid by the Purchaser to the MS Vendor upon the MS Completion Date in the following manner:

- (i) as to HK\$250 million payable by way of the issue of the MS Note; and
- (ii) as to the balance of the MS Consideration payable in cash.

At MS Completion, the MS Consideration will be determined based on draft MS Completion Accounts prepared by the MS Vendor. The MS Vendor shall finalise and agree the MS Completion Accounts with the Purchaser within two (2) months after MS Completion Date. The Purchaser will make up any shortfall of the MS Consideration paid to the MS Vendor, or (as the case may be) the MS Vendor will return any excess MS Consideration paid based on the MS Completion Accounts, within ten (10) Business Days after the finalisation of the agreed MS Completion Accounts.

The MS Consideration was determined after arm's length negotiations between the MS Vendor and the Purchaser with reference to the preliminary valuation of the Beijing Hotel as at 31 March 2014 by an independent property valuer and the MS Net Current Assets of the Makerston Group and on the basis that the Makerston Group will have no material debts at MS Completion other than the MS Sale Loan. For the avoidance of doubt, the MS Vendor and the Purchaser have not taken into account the entering into and/or completion of the Rosedale Share Agreement when determining the MS Consideration.

Conditions precedent

MS Completion is conditional upon fulfillment or waiver (as the case may be) of the following conditions:

- (i) the approval by the Independent Shareholders of the Makerston Agreement and the transactions contemplated thereunder at the SGM in compliance with the Listing Rules having been obtained;
- (ii) the written approval by the shareholders of ITCP or approval by the shareholders of ITCP (other than those, if any, who are required to abstain from voting under the Listing Rules or the applicable laws, rules and regulations) of the Makerston Agreement and the transactions contemplated thereunder at the special general meeting of ITCP in compliance with the Listing Rules having been obtained;
- (iii) the Purchaser being satisfied with the results of the due diligence review of the Makerston Group, Rosedale Beijing and the Beijing Hotel;
- (iv) requisite consent having been obtained in respect of the transfer of the MS Sale Share under the Makerston Agreement;
- (v) each of the warranties given under the Makerston Agreement being true and accurate in all material respects and not misleading as at the date of the Makerston Agreement and remaining true and accurate in all material aspects and not misleading as at the MS Completion; and
- (vi) there being no material adverse change in the financial position of the Makerston Group from 31 March 2014 up to and as at the MS Completion Date.

The Purchaser may at its discretion at any time waive any of the conditions set out above, except for conditions (i), (ii) and (iv). If any of the above conditions is not fulfilled or waived (as the case may be) on or before the MS Long Stop Date and/or conditions (iii), (v) and (vi) above do not remain fulfilled or waived (as the case may be) on the MS Completion Date, the rights and obligations of the parties under the Makerston Agreement shall lapse and be of no further effect except for antecedent breach.

Arrangement in respect of the Compensated Amount

As disclosed in the Previous Announcements, completion of the deemed disposal to a subsidiary of the Investor of 80% interest in Rosedale Beijing by DS Eastin under the Capital Increase Agreement took place on 29 November 2013 and as a result, a receivable of the Compensated Amount from the Investor of approximately HK\$665 million under the Capital Increase Agreement was recorded in the accounts of DS Eastin as at the date of this announcement.

In respect of the expected receipt of the Compensated Amount, pursuant to the Makerston Agreement, the Purchaser acknowledges and consents to the resolutions of Makerston to declare the DS Eastin Dividend and the resolutions of the MS Vendor to declare the Makerston Dividend and the payment of the DS Eastin Dividend and the Makerston Dividend upon receipt of the Compensated Amount (or any amount thereof), the effect of which is to enable the upstream payment of the Compensated Amount to the MS Vendor by way of dividend payment. In addition, the Purchaser undertakes that if DS Eastin receives the Compensated Amount on or after MS Completion, the Purchaser shall pay the Makerston Dividend and, if the Makerston Dividend is less than the Compensated Amount, an amount equal to the shortfall by way of an increase of the MS Consideration (in addition to the amount that is determined by the formula under the paragraph headed “MS Consideration”), to the MS Vendor within five (5) Business Days of such receipt.

The MS Completion:

The MS Completion shall subject to all conditions precedent being fulfilled or waived (as the case may be) take place on the seventh (7th) Business Day after fulfillment of the conditions (i), (ii) and (iv) referred to above, or such other date as the parties to the Makerston Agreement may agree in writing.

Upon MS Completion, Makerston will cease to be a subsidiary of the Company and its financial results will no longer be consolidated into the financial statements of the Group.

REASONS FOR AND BENEFITS OF THE TRANSACTIONS

The Group is principally engaged in hotel operations and trading of securities.

The existing hotel operations of the Group comprise the operation of the three “Rosedale” branded 4-star rated hotels (of which two hotels are leased-and-operated hotels in Hong Kong), the Times Plaza Hotel in Shenyang and the Luoyang Golden Gulf Hotel. As disclosed in the Company’s interim report for the six months ended 30 June 2013, the slower pace of economic growth of the PRC and signs of the retreat of hot money from Asia give a hard time to the Group’s hotel operations of which the performance depends heavily on the ups and downs of the world economic atmosphere. Facing this situation, the Group intended to continue to enhance its hotel chain and to explore further income streams so as to stay ahead of its competitors and to maximise the value for the Shareholders.

The Directors are of the view that the Transactions would allow the Group to realise its minority investments in the TKT Hotel and the Beijing Hotel. The proceeds receivable from the Transactions would provide the necessary financial resources for the Group to repay its borrowings when they fall due so as to strengthen its financial position, enhance the Group's capability to capture any future investment opportunities, and focus its resources on other hotels of the Remaining Group.

Upon ES Completion and MS Completion, the Remaining Group and the hotel portfolio shall comprise the Rosedale Hotel and Suites in Guangzhou, the Times Plaza Hotel in Shenyang, the Luoyang Golden Gulf Hotel and a leased-and-operated hotel in Hong Kong. Having taken into account these four hotels being under management of the Remaining Group and the financial effect of each of the ES Completion and the MS Completion set out in the section headed "Use of proceeds and financial effects of the Transactions" below, the Directors consider that the Remaining Group has a sufficient level of operations and tangible assets of sufficient value to warrant its continued listing of the Shares on the Stock Exchange as required under Rule 13.24 of the Listing Rules. In addition, given that the Remaining Group has identified specific use of the net proceeds from the Transactions, the Directors consider that the Remaining Group would not become a cash company upon ES Completion and MS Completion.

As at the date of this announcement, the Company does not have any intention to dispose of any assets and business of the Remaining Group. As disclosed in the Company's annual report for the year ended 31 December 2013, the Group will explore further the leased-and-operated hotel and franchising business to supplement its traditional owner-operated hotel business, and will from time to time revisit its business strategy and composition of its hotel portfolio to cope with the market changes and to explore further income streams so as to maximise the wealth of the Shareholders.

Having considered the above, the Directors are of the view that the terms of the Eagle Spirit Agreement and the Makerston Agreement are fair and reasonable and the Transactions are in the interests of the Company and the Shareholders as a whole.

Subject to either ES Completion or MS Completion, the Board intends to declare a special dividend of HK\$0.10 per Share to the Shareholders whose name appear on the register of members of the Company on a date before the ES Completion Date or the MS Completion Date, whichever is earlier. A further announcement will be made by the Company in this regard as and when appropriate.

USE OF PROCEEDS AND FINANCIAL EFFECTS OF THE TRANSACTIONS

In respect of disposal of the Eagle Spirit Group

Based on the estimated amount of the ES Consideration of HK\$536 million and the associated direct cost of the transaction contemplated under the Eagle Spirit Agreement of approximately HK\$3 million, the net proceeds therefrom are estimated to be approximately HK\$533 million.

Based on the unaudited financial information of the Eagle Spirit Group as at 31 December 2013, the Group expects to recognise a loss of approximately HK\$2.5 million which is calculated with reference to the net asset value of the Eagle Spirit Group of approximately HK\$535.5 million (based on the unaudited adjusted management accounts of the Eagle Spirit Group as at 31 December 2013).

In respect of disposal of the Makerston Group

Based on the estimated amount of the MS Consideration of HK\$304 million and the associated direct cost of the transaction contemplated under the Makerston Agreement of approximately HK\$3 million, the net proceeds therefrom are estimated to be approximately HK\$301 million.

Based on the unaudited financial information of the Makerston Group as at 31 December 2013, the Group expects to recognise a gain of approximately HK\$0.1 million which is calculated with reference to the net asset value of the Makerston Group of approximately HK\$300.9 million (based on the unaudited management accounts of the Makerston Group as at 31 December 2013).

Shareholders should note that the actual gain or loss from each of the Transactions to be recorded by the Company will depend on the financial position of the Eagle Spirit Group and the Makerston Group as at the ES Completion Date and the MS Completion Date respectively.

The Group intends to apply the net proceeds from the Transactions as to approximately (i) HK\$250 million for repayment of other borrowings; (ii) HK\$66 million for payment of the special dividend as mentioned in the section headed “Reasons for and benefits of the Transactions” above; and (iii) the remaining balance for future investment opportunities of the Group as and when appropriate. If such net proceeds are insufficient for repayment of other borrowings and payment of the special dividend, the shortfall will be funded by internal resources of the Group.

CHANGE IN SHAREHOLDING

The Company was informed by ITCC (being the substantial shareholder of the Company) that on 11 April 2014, ITCC, ITC Investment Holdings Limited (as the vendor, being a wholly-owned subsidiary of ITCC), Hanny, and Hanny Investment Group Limited (as the purchaser, being an indirect wholly-owned subsidiary of Hanny) entered into the Rosedale Share Agreement pursuant to which the entire issued share capital of Leaptop is to be disposed to Hanny Investment Group Limited. Leaptop owns the entire issued share capital of Asia Will Limited, which is the owner of 195,706,000 Shares, representing approximately 29.76% of the issued share capital of the Company. Details of the Rosedale Share Agreement are set out in the announcements of ITCC and Hanny dated 23 April 2014. The aforesaid transaction is conditional on the ES Completion and the MS Completion. The Transactions are not conditional on completion of the Rosedale Share Agreement and thus the Rosedale Share Agreement would not affect the ES Completion and/or the MS Completion.

Set out below is a table showing the shareholding structure of the Company (i) as at the date of this announcement; and (ii) immediately upon completion of the Rosedale Sale Agreement:

Notes:

1. Mr. Kwok Ka Lap, Alva is an independent non-executive Director.
2. Pursuant to the Rosedale Sale Agreement, ITC Investment Holdings Limited shall procure Asia Will Limited to place and/or donate 47,200,000 (or such other number of Shares as may be agreed between the parties) Shares to independent third party(ies) and/or such charitable body and/or a combination of both before completion of the Rosedale Sale Agreement.

LISTING RULES IMPLICATIONS

As one or more of the applicable percentage ratios in respect of the Transactions under Rule 14.07 of the Listing Rules exceeds 75%, the Transactions constitute very substantial disposals for the Company under the Listing Rules which are subject to the reporting, announcement and shareholders' approval requirements.

As ITCC, being the substantial shareholder of the Company, was indirectly interested in approximately 30.65% issued share capital of ITCP, the Purchaser (being a direct wholly-owned subsidiary of ITCP) is a connected person of the Company. Accordingly, the Transactions would constitute connected transactions for the Company under Chapter 14A of the Listing Rules, which are subject to approval from the Independent Shareholders at the SGM by way of poll.

As completion of the Rosedale Share Agreement is conditional on the ES Completion and the MS Completion, CEL, as an associated company of Hanny, is considered to have a material interest in the Transactions. Accordingly, ITCC, CEL and their respective associates shall abstain from voting in respect of the resolutions approving the Agreements and the transactions contemplated thereunder at the SGM. Dr. Chan Kwok Keung, Charles (by virtue of his being director and controlling shareholder of ITCC) will also abstain from voting in respect of the resolutions approving the Agreements and the transactions contemplated thereunder at the SGM. As at the date of this announcement, ITCC holds 195,706,000 Shares, representing approximately 29.76% of the issued share capital of the Company, CEL holds 48,660,424 Shares, representing approximately 7.40% of the issued share capital of the Company, and Dr. Chan Kwok Keung, Charles holds 1,132,450 Shares, representing approximately 0.17% of the issued share capital of the Company.

GENERAL

Mr. Cheung Hon Kit (by virtue of his being director of both ITCP and the Company) has not attended the meeting of the Board in relation to the approval of the Agreements. Mr. Kwok Ka Lap, Alva (by virtue of his being director of Hanny, ITCP and the Company), Mr. Poon Kwok Hing, Albert and Mr. Sin Chi Fai (by virtue of their being directors of both Hanny and the Company), have abstained from voting on the relevant resolution(s) approving the Agreements in the meeting of the Board. As all the independent non-executive Directors have material interest in the Transactions, no independent board committee will be formed. An independent financial adviser will be appointed to advise the Independent Shareholders in relation to the Transactions.

The SGM will be convened and held for the Independent Shareholders to consider and, if thought fit, approve the Agreements and the transactions contemplated thereunder. A circular containing details of the Agreements, the financial information of the Eagle Spirit Group, the Makerston Group and the Remaining Group, the letter of advice from the independent financial adviser to the Independent Shareholders, a notice convening the SGM and other information as required under the Listing Rules will be despatched to the Shareholders on or before 20 June 2014 so as to allow sufficient time for the preparation of the relevant information for inclusion in the circular.
